

## Jeffrey S. Harman

Department of Health Services Research, Management and Policy  
College of Public Health and Health Professions, University of Florida  
101 S. Newell Drive, Rm. 4135, PO Box 100195, Gainesville, FL 32611-0195  
Phone: 352-273-6060, Fax: 352-273-6075, Email: jharman@phhp.ufl.edu

### Education

- 1999 University of Minnesota, Minneapolis, MN  
Ph.D. in Health Services Research, Policy, and Administration
- 1996 University of Minnesota, Minneapolis, MN  
M.S. in Health Services Research and Policy
- 1990 Wesleyan University, Middletown, CT  
B.A. in Economics

### Professional Experience

- 2006-present **Associate Professor**, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida, Gainesville, FL
- 2002-2006 **Assistant Professor**, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida, Gainesville, FL
- 2002-2005 **Adjunct Assistant Professor**, Department of Psychiatry, Western Psychiatric Institute and Clinic, University of Pittsburgh School of Medicine, Pittsburgh, PA
- 2001-2002 **Assistant Professor**, Department of Psychiatry, Western Psychiatric Institute and Clinic, University of Pittsburgh School of Medicine, Pittsburgh, PA
- 1999-2001 **Research Assistant Professor**, Department of Psychiatry, Western Psychiatric Institute and Clinic, University of Pittsburgh School of Medicine, Pittsburgh, PA
- 1998-1999 **Assistant Research Professor**, Institute for Health, Health Care Policy, and Aging Research, Rutgers University, New Brunswick, NJ

### Awards

- 2007, 2008 Exceptional Reviewer, *Medical Care*
- 2006-2007 Invited Participant, American Association for Geriatric Psychiatry and National Institute of Mental Health Advanced Research Institute
- 2004 Most Outstanding Abstract, AcademyHealth Annual Research Meeting
- 2003 Charles E. Gibbs Women's Health Leadership Prize, Co-awardee
- 2000-2002 Western Psychiatric Institute & Clinic Junior Faculty Scholar
- 2000 Invited Participant, American Association for Geriatric Psychiatry and National Institute of Mental Health Summer Research Institute
- 1999 The Jacobs Institute for Women's Health Leadership Prize, Co-awardee
- 1997 National Institute of Mental Health Dissertation Fellowship
- 1993 Research Fellow, Institute for Health Services Research, University of Minnesota

## **Professional Affiliations**

1997-Present Member, AcademyHealth  
2000-Present Member, Gerontological Society of America  
2001-2005 Member, International Health Economics Association  
2001-2002 Affiliate Member, American Association for Geriatric Psychiatry

## **Professional Activities**

### *Peer-Review Activities*

Health Services Research  
Medical Care  
American Journal of Public Health  
Archives of General Psychiatry  
Psychiatric Services  
International Journal of Geriatric Psychiatry  
Archives of Pediatric and Adolescent Medicine  
Journal of General Internal Medicine  
Bipolar Disorders  
Journal of Mental Health Policy and Economics  
The Journals of Gerontology: Series B, Psychological Sciences and Social Sciences  
Journal of the American Geriatrics Society  
The Gerontologist  
Journal of Health Care for the Poor and Underserved  
Journal of Behavioral Health Services & Research  
Journal of Clinical Psychiatry  
The American Journal of Managed Care  
Pharmacoepidemiology and Drug Safety  
Journal of Child and Adolescent Psychopharmacology  
Mental Health Services Research  
Depression and Anxiety  
Health Care Management Review  
NIMH, NIDA, NIAAA Joint Conference, "Beyond the Clinic Walls: Expanding Mental Health, Drug and Alcohol Services Research Outside the Specialty Care System", March 10-12, 2003, abstract reviewer

## **Publications**

### *Peer-reviewed*

1. Schold Jesse S, R. Paul Duncan, Jeffrey S. Harman, Neale Chumbler, H.U. Meier-Kriesche, "The pivotal impact of center characteristics on survival of candidates listed for deceased donor kidney transplantation", in press, Medical Care.
2. Janicke, David, Jeffrey Harman, Kelly Kelleher "The Association Among Psychiatric Diagnoses, Service Use and Expenditures in Children with Obesity-Related Health Conditions", in press, Journal of Pediatric Psychology.

3. Cruz, Mario, Harold A. Pincus, Jeffrey Harman, Charles F. Reynolds, Edward Post, "Barriers to Care Seeking for Depressed African Americans," in press, International Journal of Psychiatry in Medicine.

## **Research Funding**

*FUNDED STUDIES*

**R21 MH75907 (P. Veazie)** 9/14/2007 – 9/13/2009  
National Institute of Mental Health \$426,278

Web-based Lab to Study the Decision to Use Antidepressants for the Elderly

The purpose of this R21 application is to test the use of a internet web-based instrument to evaluate the role that patient race plays in information processing by primary care physicians in the decision to offer antidepressant medication to older patients.

ROLE: Co-Investigator

**Florida Agency for Health Care Administration (P.Duncan)** 12/19/2005–06/30/2010  
\$426,747

Evaluation of Florida's Medicaid Reforms

The major goals of this project are to evaluate the impact of Florida's Medicaid reforms on total costs, enrollee utilization and satisfaction with care, and health care organizations.

ROLE: Co-Investigator

**Health Resources and Services Administration (D. Mohatt)** 9/01/2007-8/31/2008  
\$34,030

Funding Marketplace for Rural Mental Health Services

The major goal of this project is to assess sources of payment for mental health services provided in rural areas in order to best identify sources to target to improve the delivery of care in rural areas.

ROLE: Co-Investigator

**Administration on Aging, U.S. Department of Health and Human Services 10/2006-10/2007 (K. Hyer)** \$2,296

Cost Response to Nurse Staffing in Florida Nursing Homes

The goal of this project is to assess the impact of financial incentives for meeting minimum nurse staffing ratios on the cost performance of Florida nursing homes.

**Health Resources and Services Administration (D. Mohatt)** 9/01/2006-8/31/2007  
\$13,030

Rural-Urban Differences in the Use, Type, and Quality of Depression Treatment

The purpose of this project to be conducted within a Center grant is to assess differences in depression treatment between rural and urban settings in a nationally representative sample of individuals with depression.

ROLE: Co-Investigator

**The Commonwealth Fund (K. Hyer)** 9/1/2005 – 8/30/2007  
\$226,136

Provider Response to Nurse Staffing in Florida Nursing Homes

The purpose of this investigator-initiated research project is to assess the impact of financial incentives for meeting minimum nurse staffing ratios on the quality of care provided to Florida nursing homes.

ROLE: Co-Investigator

**K01 MH63780 (J. Harman)**

**9/18/2001 – 6/30/2007**

National Institute of Mental Health

**\$493,964**

Social and Economic Factors in Late Life Depression

This goal of this training and research program is to evaluate the relative role of social and economic factors on the utilization of mental health services by depressed elderly persons.

ROLE: Principal Investigator

**Novartis, Inc. (J. Harman)**

**8/1/2005 – 3/1/2007**

**\$342,562**

The Impact of Copayment on Healthcare Costs, Utilization, and Care Protocol Adherence

The purpose of this investigator-initiated research project is to assess the impact of reduced medication co-payments and a \$30 monthly out-of-pocket maximum on adherence to guideline concordant care for individuals with diabetes.

ROLE: Principal Investigator

**Florida Agency for Health Care Administration (R. Frank)**

**7/1/2003 – 6/30/2005**

**\$876,077**

The Impact of Lapses in Medicaid Coverage on Health Care Utilization and Cost of Care for Chronically Ill Individuals

This project evaluates the impact of breaks in Medicaid coverage on cost and utilization of Medicaid reimbursed services and drugs for beneficiaries with diabetes, depression, hypertension, or asthma.

ROLE: Principal Investigator of Subproject (PI: Robert Frank)

**Small Grant Program (J. Harman)**

**8/1/2002 – 10/31/2004**

Staunton Farm Foundation

**\$21,976**

Improving Adherence to Scheduled Therapy Appointments by Low-Income African American Patients with Major Depression Using Cost-Recovery Payments

The purpose of this grant is to evaluate the impact of providing \$10 payments to attend scheduled therapy sessions by low-income African American patients with major depression who receive mental health services at a community mental health clinic.

ROLE: Principal Investigator

**Planning Grant (G. Alexopoulos)** **2/1/2002-1/31/2003**  
Robert Wood Johnson Foundation **\$100,000**  
Sustaining Care of Late Life Depression in Medicare Beneficiaries  
The purpose of this planning grant was to develop a partnership with the Centers for Medicare and Medicaid Services to explore financing mechanisms to maintain depression care managers in primary care practices.  
ROLE: Co-investigator

**R03 MH58025 (J. Harman)** **9/1/1997 – 8/31/1998**  
National Institute of Mental Health **\$23,416**  
Impact of Interruptions in Medicaid on Mental Health Use  
The purpose of this grant was to evaluate the impact of interruptions in Medicaid coverage on the utilization and expenditures for mental health services by Medicaid beneficiaries with schizophrenia.  
ROLE: Principal Investigator

*SUBMITTED*

**National Institute of Mental Health** **Submitted**  
Impact of Medicare Part D on Antidepressant Use in Previously Insured Adults **\$1,074,638**  
The purpose of this R01 application is to assess the impact of enrollment in Medicare Part D on utilization of antidepressant medication relative to antihypertensive and oral hypoglycemic medication by Part D enrollees who were previously insured through their employer.  
ROLE: Principal Investigator

**National Institute of Mental Health** **Submitted**  
Disparities in Depression Hospitalization by Rurality (K. Rost) **\$500,000**  
The purpose of this R01 application is to assess rural-urban differences in hospitalization rates for depression and to determine the causes of any observed disparities, including differences in the supply of mental health specialists and differences in rates of adequate outpatient depression treatment.  
ROLE: Co-Investigator

**National Institute of Mental Health** **Submitted**  
Transitions into Medicare Advantage and Adherence to Antidepressant Medication **\$2,854,474**  
The purpose of this R01 application is to assess the impact of transitioning into Medicare Advantage plans from commercial managed care plans on adherence to antidepressant medication after the implementation of the Medicare Modernization Act.  
ROLE: Principal Investigator

**National Institute on Aging** **Submitted**  
Demand for Antidepressant Medication by Older Americans **\$461,296**  
The purpose of this R01 application is to assess the relative price-responsiveness to specific classes of prescription medication by Medicare beneficiaries with depression, diabetes or hypertension.  
ROLE: Principal Investigator

## **National Institute on Aging**

Social Networks and Help-Seeking in Late Life Depression (C. McCarty)

**Submitted**

**\$1,091,250**

The purpose of this R01 application is to assess the effect of personal social network structure and composition on help-seeking behavior of older community dwelling persons with depression.

ROLE: Co-Investigator

## **Teaching**

2008-present *Instructor*, HSA 6438, Health Economics, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida.

2003-present *Instructor*, HSA 7708, Health Services Research Methods II, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida.

2001 *Guest Lecturer*, Pediatric Fellows, Health Services and Health Policy Research, Pediatric Research Fellowship, School of Medicine, Department of Pediatrics, Children's Hospital of Pittsburgh.

2000 *Guest Lecturer*, Psychiatry Residents, Public Health and the Role of Mental Health Services Research, Social and Community Psychiatry, School of Medicine, Department of Psychiatry, University of Pittsburgh.

1996-1998 *Instructor and Advisor*, ISP Executive Studies Program, Human Resources in Health Care, Division of Health Management and Policy, Carlson School of Management, University of Minnesota, Minneapolis, MN.

## **Service**

2007-Present *Faculty Senator*, College of Public Health and Health Professions, University of Florida Faculty Senate, University of Florida.

2007-Present *Director*, Doctoral Program in Health Services Research, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida.

2007-Present *Scientific Advisory Group*, Florida Center for Medicaid and the Uninsured, College of Public Health and Health Professions, University of Florida

2006-2007 *Search Committee Member*, Florida Center for Medicaid and the Uninsured, College of Public Health and Health Professions, University of Florida

- 2005-2006 *Search Committee Member*, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida
- 2002-Present *Doctoral Program Committee Member*, Doctoral Program in Health Services Research, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida.
- 2003-2004 *Faculty Graduation Marshall*, College of Public Health and Health Professions, University of Florida
- 2004 *Search Committee Chair*, Department of Health Services Research, Management and Policy, College of Public Health and Health Professions, University of Florida
- 2003-2004 *Abstract Reviewer*, College of Public Health and Health Professions Annual Research Day

#### *Dissertation Committees*

- Chair, Jesse Schold, “Impact of Transplant Center Characteristics on Outcomes for Patients with End Stage Renal Disease,” Department of Health Services Research, Management, and Policy, College of Public Health and Health Professions, University of Florida.  
- Graduated 2007.
- Co-Chair, Eleni Dimoulas, “Adequacy of Treatment for Anxiety Disorders in Medicaid,” Department of Clinical and Health Psychology, College of Public Health and Health Professions, University of Florida  
- Student was a Recipient of a National Institute of Mental Health National Research Service Award, 2004-2005.
