

APPOINTMENTS and POSITIONS

ACADEMIC:	<i>Name and Location of Institution of Organization</i>	<i>Rank/Title</i>
7/94-6/96	Department of Medicine, University of North Carolina, Chapel Hill, NC	Clinical Instructor
8/96 – 1/06	Department of Medicine, University of Pittsburgh, Pittsburgh, PA	Assistant Professor of Medicine
8/96-12/06	Center for Research on Health Care, University of Pittsburgh, Pittsburgh, PA	Core Faculty
7/97-12/06	Graduate School of Public Health, University of Pittsburgh, Pittsburgh, PA	Assistant Professor of Behavioral and Community Health Sciences
1/06-12/06	Department of Medicine, Division of General Internal Medicine University of Pittsburgh, Pittsburgh, PA	Associate Professor of Medicine
1/07-	Department of Epidemiology and Biostatistics College of Public Health and Health Professions University of Florida, Gainesville, FL	Associate Professor of Epidemiology and Biostatistics
1/07	Department of Medicine University of Florida, Gainesville, FL	Associate Professor of Medicine
1/07	Florida Center for Medicaid and the Uninsured University of Florida, Gainesville, FL	Associate Director

CERTIFICATION and LICENSURE

SPECIALTY CERTIFICATION:

<i>Certifying Board</i>	<i>Year</i>
American Board of Internal Medicine	1994, 2005
American Board of Preventive Medicine	1997

MEDICAL or OTHER PROFESSIONAL LICENSURE:

<i>Licensing Board/State</i>	<i>Year</i>
Pennsylvania	1996-2006
Florida	2007- present

MEMBERSHIPS in PROFESSIONAL and SCIENTIFIC SOCIETIES

<i>Organization</i>	<i>Year</i>
Society of General Internal Medicine	1993-present
American Sexually Transmitted Disease Association	1996-present
American Public Health Association	2008-present

HONORS

<i>Title of Award</i>	<i>Year</i>
James M. Johnston Award (full scholarship)	1984-86
Delta Omega Undergraduate Award of Excellence	1986
Holderness Medical Fellowship	1989-90
Cecil G. Sheps Award in Social Medicine	1991
Student/Faculty Teaching Award for Housestaff	1994
Mentored Patient-Oriented Research Career Development Award (K23)	1999

45. **Cook RL**, Karki M, Gupta R, Clark DB. Childhood abuse, parental alcoholism, and the risk of adverse health outcomes in adolescents and young adults attending an urban STD clinic. Accepted as poster presentation, BASHH / ASTDA Joint Meeting, New York City, 2008.
46. Staras S, **Cook RL**, Clark DB. Association between sexual partner characteristics and sexually transmitted infections among adolescents. Accepted as poster presentation, BASHH / ASTDA Joint Meeting, New York City, 2008.
47. Staras S, **Cook RL**, Clark DB. Do sexual partner characteristics explain the racial disparity in sexually transmitted infections. Accepted as poster presentation, Annual Meeting, Society of Epidemiologic Research, Chicago, July 2008.

PROFESSIONAL ACTIVITIES

TEACHING:

1994-1996 Course Instructor, Medical Problems, Clinical Epidemiology, Physical Diagnosis
 UNC School of Medicine, 1994-96.

- 1994-1996 Clinical Preceptor, General Internal Medicine Clinic, Infectious Disease Clinic
UNC School of Medicine.
- 1996-present Clinical Preceptor, General Internal Medicine Housestaff Clinics, University of
Pittsburgh Medical Center, and Women’s Health Clinic, University of Pittsburgh Student
Health Services.
- 1999-2000 Developed Curriculum for Resident Ambulatory Block Rotation in Service Learning and
Adolescent Medicine (PGY-2), UPMC Shadyside, University of Pittsburgh.
- 1999- 2004 Co-Director, Bridging the Gaps Community Health Internship,
University of Pittsburgh School of Medicine, Pittsburgh PA.
- 1996- 2006 Hospital Ward Attending – Montefiore University Hospital, University of Pittsburgh.
Ward attending 1-2 months per year with supervision and teaching for 3 residents, two
3rd year medical students, and occasional additional health professions students.
- 2003-2006 Course Instructor - CLRES 2010 Clinical Research Methods. University of Pittsburgh,
Clinical Research Training Program. The course includes 30-50 students who are mostly
physicians in fellowship and research training. Classes taught include, “Introduction to
Clinical Research”, “Bias and Confounding”, “Measurement”, “Observational Research
Design”, and “Screening Research Studies”.
- 2004-2006 Co-Leader, Resident Evidence-Based Medicine Journal Club. The journal club meets
monthly to discuss a specific article and to critically appraise the article using an
evidence-based medicine curriculum.
- 2004-
2006 Developed web-based teaching module on “Vaginitis” for Internal Medicine housestaff
Advanced Physical Diagnosis, 1st year medical students, University of Pittsburgh School
of Medicine.
- 2007 Essentials of Patient Care IV (small group course for 1st year medical students) –
University of Florida School of Medicine, March –April 2007
- 2007 Hospital Ward Attending, Shands Medical Center, University of Florida. Supervision and
teaching for 3 residents, two 3rd year medical students, and occasional additional health
professions students. 2 months per year.
- 2007-
PHC 6937. Public Health Concepts in Infectious Diseases. 3-credit course offered to
MPH students, University of Florida College of Public Health and Health Professions.
(course developed 2007 by RL Cook)
- 2008 Evidence Based Medicine – small group leader, UF College of Medicine

STUDENT/RESIDENT RESEARCH MENTOR

- 1999 Michael Ashton, MD, MPH. Master’s Degree in Public Health, University of Pittsburgh.
MPH Thesis title: Primary care physicians’ attitudes about sexually transmitted diseases.
- 1999 Karen Barth, MS II. Summer research elective, School of Medicine, University of Pittsburgh.

Paper title: Barriers to seeking STD testing among college students.

- 2001 Adrienne Sever, MS II. Summer research project, School of Medicine, U of Pittsburgh. The development of a culturally relevant survey to define the characteristics of young women at high risk for HIV infection in Brazil. Poster: University of Pittsburgh School of Medicine Biomedical Summer Research Symposium, October, 2001.
- 2001 Julian Escobar, MS II. Summer research project, School of Medicine, U of Pittsburgh. HIV infection in a population of young women in Rio de Janeiro, Brazil. Poster. University of Pittsburgh School of Medicine Biomedical Summer Research Symposium, October, 2001
- 2002 Amy Betz, MS II. Summer research elective, School of Medicine, University of Pittsburgh. "In their own words: Perceptions about the effects of alcohol and marijuana use on sexual behavior among young adults". Poster: University of Pittsburgh School of Medicine Biomedical Summer Research Symposium, October 30, 2002.
- 2004 Megan Cunnane, MD. Fellowship research project, School of Medicine, University of Pittsburgh. Project title: The role of the internist in preventing unintended pregnancies. presented poster at 2004 SGIM meeting and submitted a paper (currently in press)
- 2004 Nadra Tyus, PhD candidate, Behavioral and Community Health Sciences. PhD thesis project: Racial variations in health care utilization regarding STDs: a possible contributor to racial disparities in STDs.
- 2005 Ranjana Gupta, MPH candidate (Epidemiology). MPH thesis project: Parental alcoholism, childhood abuse, and the risk of adverse health outcomes in adolescents and young adults attending an urban STD clinic.
- 2006 Michael Gaglia, MD. Fellowship research project, School of Medicine, University of Pittsburgh. Project title: Attitudes towards antiviral treatments for influenza and avian influenza.
- 2006 Melissa Jones; MPH candidate, Behavioral and Community Health Sciences. MPH thesis project: College students' knowledge and attitudes towards HPV and HPV vaccine.
- 2006 Angela Malek, MPH candidate, Epidemiology. MPH thesis project: Factors associated with delay in seeking STD-related health services in young men and women.
- 2008 Kareema Smith, MPH candidate, Epidemiology. Special project: Self-testing for bacterial vaginosis.
- 2008 Camila Mateo, Health Sciences Undergraduate Honors student. Computer-based substance abuse interventions targeting risk behavior in adolescents.
- 2008 Brandi Manning, Health Sciences Undergraduate Honors student. Biological implications of racial disparities in bacterial vaginosis.
- 2008 Kevon Jackman, MPH candidate, Epidemiology. MPH thesis project, Obesity, psychosocial factors, and Medicaid in adolescent and young adult women.

THESIS COMMITTEES

2004 John McKinnon –Masters in Clinical Research: Thesis title, “Predicting viral resistance in HIV-infected adults”

2004 Megan Cunnane –Masters in Clinical Research: Thesis title, “Emergency contraception and the role of the internist”.

2004 Nadra Tyus – candidate for PhD in the Department of Behavioral and Community Health Sciences. Thesis title: “Racial variations in health care utilization regarding STDs: a possible contributor to racial disparities in STDs”

2005 Gail Trautman – candidate for PhD in the Department of Epidemiology. Thesis title: Impact of Pelvic Inflammatory Disease on Infertility.

2005 Katie Berger – candidate for PhD in the Department of Epidemiology. Thesis title: Bacterial Vaginosis: Predictors of recurrence.

UNIVERSITY and MEDICAL SCHOOL

1998-2006 Faculty and Student Team (FAST) Advisor (22 students), University of Pittsburgh

2000-2006 Senior Academic Advisor (6 students), University of Pittsburgh School of Medicine

RESEARCH: Current Grant Support

Grant Number	Grant Title	Role in Project/ Percentage of Effort	Years Inclusive	Source
NIAID HHSN266200 400074C	Home Screening for Bacterial Vaginosis to Prevent STD: A study of the Sexually Transmitted Infections Clinical Trials Group	15% effort Protocol Chair	2006- 2010	NIAID
NIAID HHSN226200 400027C	Direct Epitope Identification and Testing (Hildebrandt, PI)	15% effort Co-I	2005- 2010	NIAID \$792,034
Merck, Inc	Medicaid and HPV infection in Florida	PI 10% effort	01/01/08 - 12/31/09	Merck, Inc, \$189,440
University of Florida Opportunity Fund Award	Reducing alcohol and drug use in American youth through Interactive Digital Media	Co-PI	05/01/08 – 04/32/09	U of Florida \$68,000

RESEARCH: Pending Grants

R21	Tailored alcohol pattern intervention, sexual risks, and HIV in adult women (Cook PI)	PI 15% effort	2008- 2010	NIAAA \$275,000

SEMINARS AND INVITED LECTURESHIPS RELATED TO RESEARCH

1997 Quality of STD/HIV Prevention in Clinical Practice: The Good, the Bad, and the Ugly. Presented at: Sexually Transmitted Diseases: A Clinician's Update. Pittsburgh, PA.

1997 Chlamydia and HIV Transmission. Presented at: The Monthly Inservice for the Pittsburgh Mens Study, Graduate School of Public Health, Pittsburgh, PA.

1998 Clinician Counseling about HIV Prevention. Presented as part of "HIV Infection in the HAART Era", Annual Meeting of the Society of General Internal Medicine, Chicago, 1998.

- 1998 Integrating STD Management with Education and Peer Education: The Role of the Clinician. Presented at Annual Meeting of the American College Health Association, San Diego, 1998.
- 1998 Alcohol Use Disorders and STDs in Adolescents. Presented at the monthly research conference of the Pittsburgh Adolescent Alcohol Research Center, Pittsburgh PA.
- 1999 STD Prevention Practices of Primary Care Physicians. Adolescent Medicine Research Conference, Pittsburgh, PA.
- 2000 Design and Implementation of a Randomized Clinical Trial to Improve Early Detection of Chlamydia in High-Risk Women. Presented at Seminar Series: Center for Research on Health Care, June 2000.
- 2001 Home Testing for STDs: Are we Ready? Presented at Seminar Series: Magee Womens Research Institute, October 2001.
- 2001 Sexually Transmitted Diseases: A Significant Health Issue for Underserved Populations. Presented to Community Health Forum, University of Pittsburgh School of Medicine, December, 2001.
- 2001 Update on Cervical Cancer Screening: How Should We Use New Diagnostic Tests? Presented to the General Internal Medicine Conference, December 2001.
- 2002 High Prevalence of STIs among Young Women Seeking HIV Testing in Rio de Janeiro. Presented at Seminar Series: University of Pittsburgh Center for Research on Health Care, October, 2002.
- 2004 STDs in Men. Adolescent Medicine Research Conference, Pittsburgh, Pennsylvania. March 2004.
- 2004 Sexually transmitted diseases among young women seeking HIV testing in Rio de Janeiro: Results and discussion of methodological issues involved in conducting human subjects research in another country. The Center for Latin American Studies, University of Pittsburgh, Pittsburgh, Pennsylvania. March 2004.
- 2004 Brief AIDS Update. General Internal Medicine Journal Club. July 2004.
- 2005 AIDS in Brazil. Carlow College, Seminar Series on Latin America. March 2005
- 2005 STDs: An update. Noon conference for Internal Medicine residency training program. March 2005.
- 2005 Practical Aspects of Epidemiology: Home Screening for Chlamydia Infection. Presented at the Annual Meeting of the Pennsylvania Public Health Association, Pittsburgh PA, Oct 2005
- 2005 Bacterial Vaginosis: Update 2005. Presented at the Monthly CME conference, University of Pittsburgh Student Health Services.

- 2005 Systematic Reviews from Start to Finish. Seminar Series: University of Pittsburgh Center for Research on Health Care, August, 2005.
- 2006 Home Screening for STDs in High-Risk Young Women (DAISY Study): Randomized Clinical Trial. Seminar Series: University of Pittsburgh Center for Research on Health Care, Jan, 2006.
- 2006 Relationship of Alcohol Consumption and Sexually Transmitted Infections among Young Persons Attending an STI Clinic. Presented to monthly research conference, Alcohol Research Program, University of Pittsburgh, February, 2006
- 2006 Home Testing for STDs: Randomized Clinical Trial. Presented to Monthly Research Seminar, Center for Risk Perception and Communication, Carnegie Mellon University
- 2007 Alcohol consumption and HIV. Presented to Florida Center for AIDS Research Seminar Series, U of Florida, October 2007
- 2007 Survey Research in Academic Medicine. Presented to Division of Internal Medicine, Dept of Medicine, University of Florida, October 2007

Center for International Science and Technology Advancement.
Grant Review for Research Proposals (related to diagnostic testing for Chlamydia).

Feb 2008 National Science Foundation – grant review (HIV-related dissertation research)

May 2008 National Health and Medical Research Council, Australia – grant review

SPECIAL COMMITTEES:

Sept 2003 Agency for Health Research and Quality
Panel Member – “Evidence-based Women’s Health Stakeholders Meeting”

EDITORIAL RESPONSIBILITIES

2003-present *Sexually Transmitted Diseases* (Editorial Board)

2004-present PIER (Physicians Information and Education Resource): American College of Physicians
Editorial Consultant - Module on Human Papillomavirus Infection
Editorial Consultant – Module on Pelvic Inflammatory Disease

JOURNAL REVIEWER:

Clinical Infectious Diseases, Annals of Internal Medicine, Sexually Transmitted Diseases, Journal of General Internal Medicine, Journal of the American Medical Association, Alcoholism, Clinical and Experimental Research, AIDS and Behavior, Family Practice, Journal of Infectious Diseases, Infectious Diseases in Obstetrics and Gynecology, BMC Infectious Diseases, Sexually Transmitted Infections.

CURRENT RESEARCH INTERESTS

1. HIV/STD Prevention in special populations: adolescents, women, men who have sex with men.
2. Home screening for STDs and vaginal infections
3. Relationship of alcohol and drugs to sexual risk behaviors and STDs
4. Optimization of delivery of preventive health services to vulnerable populations

SERVICE

UNIVERSITY COMMITTEES: University of Florida

- 2007 Shared Governance Committee. University of Florida College of Public Health and Health Professions
- 2007 Medicine Curriculum Committee (ex officio member). University of Florida College of Medicine
- 2008 Search Committee (Chair) – lecturer in Epidemiology, College of Public Health and Health Professions, University of Florida

OTHER SERVICE: University of Florida

- 2007 Advisory Board – University of Florida Institute for Child Health Policy
- 2008 Co-Director, MD-MPH degree program, University of Florida
- 2008 University Senate, College Representative (Elected) University of Florida

COMMUNITY HEALTH SERVICE LEARNING:

- 1999-2004 Co-Director, Bridging the Gaps Community Health Internship Program: A summer program placing health professions students into community settings.
- 1999-present Volunteer Physician and teacher: Birmingham Clinic for the Homeless and Underserved
- 2008-present Volunteer physician – Equal Access Free Clinic (clinic run by medical students), Gainesville, Florida

OTHER SERVICE:

- 1989-1991 Curriculum Advisory Committee (UNC School of Medicine)
- 1989-1990 Editor-in-Chief, *FAX* a Journal of Student Inquiry (UNC School of Medicine)
- 1992-1994 Graduate Medical Education Committee (UVA School of Medicine)
- 1993-1994 President, Housestaff Council, University of Virginia Health Sciences Ctr.
- 1997-1998 The Pittsburgh Adolescent Female Health Scan Steering Committee
- 1998-2001 General Internal Medicine Preventive Medicine Committee
- 1998-2000 National Program Committee: Co-Chair Evaluations, Society General Internal Medicine
- 2000-2004 Coordinator, Weekly Seminar Series, University of Pittsburgh Center for Research on Health Care
- 2007-2008 Abstract Review Committee: Women's Health. Society of General Internal Medicine.
