

## CURRICULUM VITAE

### PERSONAL DATA

Name: Duane E. Dede  
Date of Birth: October 12, 1962  
Business Address: PO Box 100165  
Clinical & Health Psychology  
University of Florida-Health Science Center  
Gainesville, FL 32610-0165  
Phone Number: Office: (352) 265-0680

### EDUCATION

- Jan., 1992 Ph.D., Clinical Psychology (APA Approved); University of Louisville, Louisville, Kentucky. Dissertation: The role of family functioning in the burden of caregivers of patients undergoing rehabilitation after suffering first cerebrovascular accident.
- Mar., 1989 M.A., Clinical Psychology; University of Louisville, Louisville, Kentucky  
Thesis: Psychosocial variables affecting physicians' management of patients suffering with chronic pain: An exploratory study.
- May, 1984 B.A., Psychology; Hope College, Holland, Michigan  
Minor: Biology

### CLINICAL ACTIVITIES

- 1/01-Present Co-Director-Mild Traumatic Brain Injury Clinic, University of Florida Health Science Center, Gainesville, FL. Direct clinical and research efforts around mild traumatic brain injury within the focus of an interdisciplinary team. Summary link at:  
<http://sunone.com/articles/2001-06-17a.shtml>
- 7/1/99-Present Clinical Associate Professor- Clinical and Health Psychology, University of Florida Health Science Center, Gainesville, FL. Clinical duties include evaluation of patients with a variety of CNS disorders as well as psychotherapy. Clinical teaching of graduate students and interns. Research interests include neuropsychological consequences of mild traumatic brain injury, adult learning disability and the family dynamics of caregivers of various neurologically compromised populations.
- 6/98-6/99 Clinical Assistant Professor- Clinical and Health Psychology, University of Florida Health Science Center, Gainesville, FL. Clinical duties include evaluation of patients with a variety of CNS disorders as well as psychotherapy. Clinical teaching of graduate students and interns. Research interests include neuropsychological consequences of mild traumatic brain injury and the family dynamics of caregivers of various neurologically compromised populations.
- 8/93-6/98 Assistant Professor: Clinical and Health Psychology, University of Florida Health Science Center, Gainesville, FL. Clinical duties include evaluation of patients with a variety of CNS disorders as well as psychotherapy. Clinical teaching of graduate students and interns. Research interests include neuropsychological consequences of mild traumatic brain injury and the family dynamics of caregivers of various neurologically compromised populations.

- 9/91 - 7/93      Postdoctoral Fellow: Neuropsychology Program, University of Michigan Hospitals, Ann Arbor, MI. Training in Clinical Neuropsychology. Clinical duties include the evaluation of outpatients with a variety of CNS disorders, consultation with medical staff, supervision of technicians and clinical psychology interns, and contact with families. Conducting research examining the neuropsychological effects of chronic alcoholism and decision-making processes in schizophrenia. Populations: traumatic brain injury, epilepsy, cerebrovascular disease, neuromuscular disease, primary progressive dementia, geriatrics, rehabilitation, PTSD, personality disorders, and affective disorders. Long-term psychotherapy with individuals and families.
- 11/92-1/93      Staff Psychologist-Alcohol Treatment Unit: Ann Arbor Veterans Administration Medical Center, Ann Arbor, MI. Provided half-time services in the areas of assessment, individual and group psychotherapy on this inpatient unit.
- 9/90 - 9/91      Clinical Psychology Intern: Ann Arbor Veterans Administration Medical Center, Ann Arbor, Michigan. Completed two six month rotations in Clinical Neuropsychology and Inpatient Psychiatry at this APA-Approved internship site. Other responsibilities included psychiatry consultation-liaison, behavioral medicine, and year-long participation in the Neuropsychology Program at the University of Michigan Hospitals. Carried 6 long-term psychotherapy cases and several brief psychotherapy cases. Populations: epilepsy, cerebrovascular disease, traumatic brain injury, neuromuscular disease, primary progressive dementia, geriatrics, rehabilitation, PTSD, personality disorders, and affective disorders.
- 6/89 - 8/90      Psychology Trainee: Baptist East Hospital's Neurorehabilitation Unit, Louisville, KY. Served as a psychology consultant on a multidisciplinary team at this free-standing rehabilitation hospital (CARF accredited). Responsibilities neuropsychological assessment. Populations: cerebrovascular disease, head injury, orthopedic injuries/ replacements, spinal cord injury, neuromuscular disease.
- 1/89 - 8/90      Psychology Trainee: Edelson and Associates, Louisville, KY. Neuropsychological and psychological evaluations (180) of adults and children. 700 supervised hours
- 1/87 - 5/90      Psychology Trainee: Psychology Clinic, University of Louisville, Louisville, KY. Received hour-for-hour psychotherapy supervision at this outpatient mental health facility that served the local community and University. Experiences included intake interviews, individual, couples, and family therapy. Populations: marital problems, family problems, mood disorders, anxiety disorders, personality disorders, adjustment disorders.
- 1/85-5/90      Psychology Trainee: Psychology Clinic, University of Louisville, Louisville, KY. Psychological evaluations of adult and children at this outpatient mental health facility that served the local community and University.
- 9/87 - 8/88      Psychology Trainee: Louisville, VAMC, Louisville, KY. 500 hour assessment traineeship. Populations: inpatient psychiatry, chronic pain patients, head injury, cerebrovascular disease, neuromuscular disease, and primary progressive dementia.

- 9/86-5/87      Psychology Trainee: Louisville, VAMC, Louisville, KY. Assessment practicum.  
Populations: inpatient psychiatry, chronic pain patients, head injury,  
cerebrovascular disease, neuromuscular disease, and primary progressive  
dementia.
- 6/86-8/86      Psychology Trainee: Kentucky Mental Institute, Louisville, KY.  
Psychological assessment of adolescents at this inpatient mental health facility.  
Populations: conduct disorders, affective disorders, adjustment disorders,  
personality disorders, and court ordered referents.

### TEACHING ACTIVITIES

- 8/93-pres.      Clinical Supervisor: Department of Clinical & Health Psychology, University of  
Florida Health Sciences Center, Gainesville, FL. Supervision of clinical psychology  
graduate students, interns, and postdoctoral fellows in neuropsychological  
assessment cases and psychotherapy cases.
- 8/93-pres.      Instructor: Department of Clinical & Health Psychology, University of  
Florida Health Sciences Center, Gainesville, FL. Taught the following  
graduate courses: Adult Psychopathology, Theories of Psychotherapy, Disorders of the  
frontal lobes and independent studies in Issues in Diversity, and Assessment of  
Substance & Child Abuse.
- 9/91 - 7/93.      Clinical Supervisor: Neuropsychology Program, University of Michigan Hospitals,  
Ann Arbor, MI. Responsible for supervision of clinical psychology interns and  
technicians on neuropsychological assessment cases.
- 8/88- 5/90      Graduate Teaching Assistant: University of Louisville, Louisville, KY.  
Tutoring students in Introduction to Psychology, Abnormal Psychology,  
Experimental Psychology, and Statistics courses.

### PUBLICATIONS (\* denotes student, intern or postdoc trainee)

## CONTRACTS AND GRANTS

### a. Funded

1993 Dede, D.E. (Principal Investigator), *Graduate Research Assistantship Award*, Division of Sponsored Research, University of Florida, \$9,039.

1993-present Dede, D.E. (Service Contract Provider). *Consultation Contract*, North Florida Evaluation and Treatment Center, \$13,000 annually.

1995 Dede, D.E. (Principal Investigator), *New Faculty Award*, Division of Sponsored Research, University of Florida, \$8,752.

1994-1996 Dede, D.E. (Co-Investigator) Gravenstein, N. Principal Investigator, *Cognitive correlates of anesthesia in the elderly*, Florida Cardiology Association, \$50,000.

1995-present Dede, D.E. (Principal Investigator). *Cognitive functioning in a forensic center*, North Florida Evaluation and Treatment Center, \$10,000 annual graduate assistantship award.

1996 Dede, D.E. (Co-Investigator). Labato, E. Principal Investigator, *The impact of anesthesia on cognition in patients undergoing orthopedic procedures*, Florida Anesthesia Association, \$50,000.

1997 Dede, D.E. (Principal Investigator). *The sensitivity of cognitive testing in distinguishing diagnostic systems of concussion*, UF Golden Opportunities Awards Program, \$4,000.

1998 Dede, D.E. (Co-Investigator). Monk, T., Principal Investigator, *A Prospective Study Evaluating the Relationship Between Age and Postoperative Cognitive Dysfunction Following General Anesthesia*, \$50,000 total budget-\$26,332 in Clinical & Health Psychology salary and research assistantships.

### b. Pending

2000 Dede, D.E. (Principal Investigator). *The impact of concussion on neuropsychological performance in women's soccer players*. National Athletic Training Association Research and Education Foundation. \$35,084

## UNIVERSITY GOVERNANCE AND SERVICE

### University

1993-present Member, Health Center Student Conduct Standards Committee

1993-present Mentor, UF Undergraduate Minority Student Mentoring Program

1993-present Member, UF Black Faculty and Staff Association

1994-present Member, Caroline Auzenne Award Committee  
1995-present Health Care Professional Staff, Shands Hospital  
1995-present Member, Center for Neurological Studies  
1996-present Member, UF Brain Institute  
2001-present Co-Director UF Mild Traumatic Brain Injury Clinic

**College**

1996 Chairman, Committee on Promoting Interdepartmental Research Within the College of Health Professions  
1997 Member, Committee on Promoting Student Linkages

**Department:**

1994 Chairman, United Way Fundraising  
1995 Graduate Admissions Committee, Department of Clinical and Health Psychology, University of Florida  
1995-present Chair, Clinical Progress Committee, Department of Clinical and Health Psychology, University of Florida  
1995-present Coordinator, Neuropsychology Training Workshop, Department of Clinical and Health Psychology  
1998-present Tuesday Clinic Team Leader

**CONSULTATION OUTSIDE THE UNIVERSITY**

1995-present Professional Advisor, Families in Touch Network  
1995-present Professional Advisor, Morrison Dance Studio, Ocala, Florida  
1998-present Professional Advisor, Southeastern Athletic Conference on issues with student-athletes with learning disabilities

**JOURNAL EDITOR, EDITORIAL ADVISORY BOARD, OR REVIEWER**

**Reviewer:**

1993-present *Journal of Clinical Psychology in Medical Settings*

1993-present     *Contemporary Psychology*

## **MEMBERSHIP AND ACTIVITIES IN THE PROFESSION**

### **Memberships:**

1992-present     American Psychological Association  
                         -Division 40 (Clinical Neuropsychology)  
                         -Division 45 (Ethnic Minorities)

1992-present     National Academy of Neuropsychology

1993-present     UF Center for Neuropsychological Studies

1996-present     UF Brain Institute

1996-present     Learning Disabilities Association

1998-present     American Heart Association

2000-present     National Athletic Trainers' Association

### **Professional Activities and Offices Held**

1992                Delegate, National Conference on Postdoctoral Training

1997-2000        Chairman, Division 40 (Neuropsychology) Committee on Minority Affairs,  
                         American Psychological Association

1998-present     Member, Board of Directors of the Brain Injury Association of Florida

1999                Program Chair International Neuropsychology Society, 22<sup>nd</sup> Neuropsychology  
                         Conference, South Africa, June 1999

## **HONORS**

1995                Licensed Psychologist, Florida State Board of Psychological  
                         Examiners

1995                Hugh Davis Award for Excellence in Clinical Supervision

1998                Hugh Davis Award for Excellence in Clinical Supervision

2003                William R. Jones- Mentor of the Year Award
