CURRENT POSITION

2004-present **RESEARCH ASSISTANT PROFESSOR**
Department of Clinical & Health Psychology, University of Florida, Gainesville, FL, USA

Primary responsibilities include as a licensed psychologist and clinical director of the UF Fear & Anxiety Disorders Clinic, clinical supervision and training of postdoctoral fellows, psychology interns and graduate students conducting specialized assessments and providing empirically-based cognitive-behavioral treatment for anxiety disorders (e.g., panic disorder, agoraphobia, social phobia, specific phobia, generalized anxiety disorder, obsessive-compulsive disorder, posttraumatic stress disorder); participation in the development of research protocols on high density EEG, functional brain imaging, and psychophysiology among anxiety and mood disordered patients; and coordination of a study funded by the National Institute of Mental Health on the psychophysiology of behavior and human emotion.

EDUCATION

**Postdoctoral
Clinical
Fellowship** **University of Florida**, Gainesville, Florida, USA. 2004.
NIMH Center for the Study of Emotion and Attention
Area/Track: Affective Disorders

Ph.D. **University of Ottawa**, Ottawa, Ontario, Canada. 2003.
Department of Psychology [APA & CPA accredited]
Area/Track: Clinical Psychology [Behavioral Medicine & Anxiety Disorders]

Internship **University of Florida Health Science Center**, Gainesville, Florida, USA. 2002.
Shands at UF Hospital [APA accredited]
Area/Track: Clinical Psychology [Medical/ Health Psychology]

B.Sc. **Concordia University**, Montréal, Québec, Canada. 1996.
Department of Psychology
Major: Honors in Psychology

ACADEMIC HONORS & AWARDS

- 2004 Recipient of the **Outstanding Dissertation Award** from the **Canadian Psychological Association**.
- 1998-2001 Recipient of the **Fonds FCAR- Doctoral Research Scholarship** from the Department of Research, Science and Technology, Government of Québec.
- 1997-2001 Recipient of the **University of Ottawa Excellence Scholarship** from the Faculty of Graduate and Postdoctoral Studies, University of Ottawa.
- 1997-1999 Recipient of the **Ontario Graduate Scholarship** (OGS) from the Ministry of Education and Training of Ontario, Government of Ontario.
- 1996-1997 Recipient of the **University of Ottawa Admission Scholarship** from the School of Graduate Studies and Research, upon the recommendation of the School of Psychology, University of Ottawa.
- 1993-1996 **Dean's List** of the Faculty of Arts and Science, based on the academic performance from Concordia University.
- 1993-1994 Recipient of **The Lucille Irvine Memorial Scholarship**, selected on the basis of the academic performance in the Department of Psychology, upon the recommendation of the Department of Psychology, Concordia University.
- 1993-1994 Recipient of **The Charles J. Brown Memorial Scholarship**, selected on the basis of the academic performance across faculties, upon the recommendation of the Loyola Foundation, Concordia University.

POSTDOCTORAL EXPERIENCE

POSTDOCTORAL CLINICAL FELLOW, NIMH Center for the Study of Emotion & Attention, University of Florida, Gainesville, FL.

- 2002-2004 **AFFECTIVE DISORDERS**
Primary Clinical Supervisor: Cyd C. Strauss, Ph.D.,
 Primary responsibilities included development of a research protocol assessing the reliability of DSM-IV anxiety disorders based on structured diagnostic interview methods; updating diagnostic interviewing instruments (e.g., ADIS-IV) used in research protocols, and assisting with the coordination of a NIMH-funded research project on the psychophysiology of anxiety disorders. Received training in the supervision of interns and graduate students conducting assessment (including structured diagnostic interviews (ADIS-IV), questionnaires and measurement of autonomic and somatic reflex responses) and cognitive-behavioral therapy for anxiety disorders based on empirically-supported protocols; provided clinical supervision of psychology interns/students; and conducted specialized assessment and provided treatment to anxiety patients, under the supervision of licensed psychologists.

CLINICAL EXPERIENCE

PREDOCTORAL INTERNSHIP, University of Florida Health Science Center, Gainesville, FL
Shands at UF Hospital [APA accredited]
Area/Track: Clinical Psychology— Medical/ Health Psychology

2001-2002

MEDICAL-SURGICAL PSYCHOLOGICAL SERVICES

Supervisors: Robert T. Guenther, Ph.D., Michael G. Perri, Ph.D., James R. Rodrigue, Ph.D., Lori B. Waxenberg, Ph.D.

Provided consultation-liaison services in a large tertiary care hospital. Services included inpatient consultation, assessment, and psychotherapy; pre-organ transplant assessment of organ recipient and caregiver; chronic pain evaluations and behavioral pain management; psychological evaluation for bariatric surgery candidates; and treatment of psychological factors affecting adjustment to medical conditions.

PAIN CLINIC

Supervisors: Michael E. Robinson, Ph.D., Lori B. Waxenberg, Ph.D.

Conducted psychological evaluations as part of a comprehensive and multidisciplinary pain assessment, developed treatment plans, and provided cognitive-behavioral therapy to chronic pain patients.

ANXIETY DISORDERS PROGRAM

Supervisors: Cyd C. Strauss, Ph.D., Jennie C. I. Tsao, Ph.D.

Conducted psychological evaluations as part of specialized assessments for anxiety disorders (e.g., structured diagnostic interviews (ADIS-IV), questionnaires, psychophysiological and brain imaging techniques), and provided cognitive-behavioral therapy (empirically-supported protocols) to adults with anxiety disorders.

PEDIATRICS/ CHILD AND ADOLESCENT PSYCHOLOGY SERVICES

Supervisor: James H. Johnson, Ph.D.

Conducted assessment and treatment of children, adolescents, and their families on problems such as adjustment to illness and adherence to medical regimens. Psychological evaluations included intellectual and learning disability assessments as well as assessments for behavioral and adjustment problems.

NEUROPSYCHOLOGY SERVICES

Supervisor: Duane E. Dede, Ph.D.

Conducted comprehensive neuropsychological evaluations for referral questions such as traumatic brain injury, dementia, seizure localization in intractable epilepsy patients, adult learning disability, and the interaction and influence of neuropsychological factors and medical diagnoses.

OUTPATIENT PSYCHOLOGY CLINIC

Supervisors: Michael G. Perri, Ph.D., Michael E. Robinson, Ph.D., Lori B. Waxenberg, Ph.D., James H. Johnson, Ph.D., Robert T. Guenther, Ph.D.

Provision of cognitive-behavioral therapy to patients diagnosed with mood and/ or adjustment disorders.

RESEARCH EXPERIENCE

- 1998-2003 **PRINCIPAL INVESTIGATOR**
 School of Psychology, University of Ottawa, Ottawa, Ontario.
Co-Investigator: Steve Hotz, Ph.D.
 Intervention study evaluating the effectiveness of stage-matched, stage-mismatched and standard care for physical activity interventions among a group of sedentary adults, and examining the mediators of participation in regular physical activity and stage transitions. Responsibilities included development of research protocol, development of intervention protocol and written intervention manuals, data collection, project coordination, statistical analysis, and manuscript preparation.
- 1999-2001 **RESEARCH ASSISTANT**
 Anxiety Disorders Clinic, Université du Québec à Hull, Hull, Québec.
Principal Investigator: Stéphane Bouchard, Ph.D.
 Collaboration with an interdisciplinary research team evaluating the effectiveness of empirically-supported treatment programs for anxiety disorders among adults. Responsibilities included conducting specialized assessments using structured diagnostic interviews and questionnaires, and providing manualized cognitive-behavioral therapy to research participants diagnosed with anxiety disorders.
- 1996 **RESEARCH ASSISTANT**
 Exercise Science Department, Concordia University, Montréal, Québec.
Principal Investigator: Lise Gauvin, Ph.D.
 Participation in a project examining the theoretical constructs allowing individuals to incorporate regular physical activity. Duties involved recruiting and scheduling participants, and providing individual prescriptions of a physical activity plan to research participants.
- 1994-1995 **RESEARCH ASSISTANT**
 Applied Research Centre in Substance Abuse & Alcoholism, Concordia University, Montréal, Québec.
Principal Investigator: Peter Seraganian, Ph.D.
 Participation in a longitudinal study comparing the effectiveness of two treatment aftercare regimes—a structured relapse prevention program and a 12-steps alcoholics anonymous program—in adults with substance abuse problems. Duties involved conducting structured interviews (using the Addiction Severity Index) with inpatients/outpatients in a substance abuse rehabilitation program to determine their psychological functioning and substance use history.
- 1993-1994 **RESEARCH ASSISTANT**
 Department of Psychology, Concordia University, Montréal, Québec.
Principal Investigator: Manon Houle, Ph.D.
 Participation in a research project examining the relationship between post-surgical pain, period of recovery and pre-surgical expectations among participants undergoing impacted wisdom teeth removal. Assisted with data analysis.

TEACHING EXPERIENCE

- 1999-2000 **UNIVERSITY LECTURER**
Université du Québec à Hull, Department of Psychology, Hull, Québec.
 - Abnormal psychology (SME 1093)
 - Behavior therapy (PSY 1763)
- 1997-2000 **UNIVERSITY CLINICAL EXAMINER**
University of Ottawa, School of Medicine, Ottawa, Ontario.
 - Training of medical students in health promotion skills
- 1996-1997 **TEACHING ASSISTANT**
University of Ottawa, School of Psychology, Ottawa, Ontario.
 - Introduction to psychology (PSY 1600)
 - Theory of personality (PSY 3703)
 - Psychology and personal development (PSY 3705)
- 1994-1996 **LABORATORY MONITOR**
Concordia University, Department of Interdisciplinary Studies, Montréal, Québec.
 - Introduction to Computer Usage (INTE 290)
- DOCTORAL PRACTICA IN CLINICAL PSYCHOLOGY**, University of Ottawa, Ottawa, Ontario, Canada
 School of Psychology- External and Core Practica
 Area/Track: Clinical Psychology
- 2000 **CHRONIC PAIN REHABILITATION SERVICES**
 Chronic Pain Rehabilitation Services, Royal Ottawa Hospital, Ottawa, Ontario.
Supervisors: Joyce D'Eon, Ph.D., Peter Henderson, Ph.D., & Erik Peterson, Ph.D.
 In collaboration with a multidisciplinary team, conducted psychological evaluations with patients suffering from chronic pain, and co-facilitated pain management groups.
- 1998-1999 **ANXIETY DISORDERS CLINIC**
 Anxiety Disorders Clinic, Pierre-Janet Medical Center, Hull, Québec.
Supervisor: Stéphane Bouchard, Ph.D.
 Conducted specialized assessments using structured diagnostic interviews and questionnaires, and provided cognitive-behavioral therapy, using empirically-supported treatment protocols, to adolescents and adults diagnosed with anxiety disorders and other co-morbid conditions.
- 1997-1999 **OUTPATIENT PSYCHOLOGY CLINIC**
 Centre for Psychological Services, University of Ottawa, Ottawa, Ontario.
Supervisors: John Hunsley, Ph.D., Tim D. Aubry, Ph.D., Philippe Cappeliez, Ph.D., & Marta Y. Young, Ph.D.
 Conducted psychological evaluations and cognitive-behavioral therapy with adolescents and adults suffering from various emotional difficulties, including anxiety and mood disorders.

1997-1999 **CAREER COUNSELING SERVICES**

Centre for Psychological Services, University of Ottawa, Ottawa, Ontario.

Supervisors: Robert Flynn, Ph.D., Diana Vito, Ph.D., & Pierre Ritchie, Ph.D.

Conducted vocational assessments (i.e., vocational interests, intellectual functioning, personality/emotional functioning, vocational needs, & support systems), and provided career counseling services on relevant vocational issues to adolescents and adults.

CONSULTATION & PROGRAM EVALUATION SERVICES

Health Canada— Federal Department of Health, Ottawa, Ontario, Canada.

Supervisor: Diana Vito, Ph.D.

1999-2001 **OCCUPATIONAL HEALTH AND SAFETY AGENCY**, Ottawa.

Employee Assistance Program. Provided crisis counseling to government employees and military personnel (assessment of crisis urgency, intervention and/or referral) through a 24-hour national telephone network. Coordinated debriefing sessions for critical incidents at the national level.

Goss Gilroy Consulting Firm, Ottawa, Ontario, Canada.

Supervisor: Celine Pinsent, Ph.D.

1998 **OTTAWA REGIONAL CANCER CENTRE**, Ottawa.

Needs Assessment. Duties involved conducting structured interviews with cancer patients to determine issues that should be taken into consideration when restructuring cancer care services in the Ottawa region.

Community Services Research Unit, University of Ottawa, Ottawa, Ontario, Canada

Supervisors: Caroline Andrew, Ph.D., Tim Aubry, Ph.D., Robert Flynn, Ph.D.

1998-1999 **CANADIAN MENTAL HEALTH ASSOCIATION**, Ottawa-Carleton Branch, Ottawa.

Outcome Evaluation. Home interviews with individuals living in the community with a severe mental illness to determine their psychological functioning, quality of life, and housing conditions, as well as the overall quality of intensive community support services for individuals with severe mental illness, using the PASSING assessment procedure.

1999 **SALVATION ARMY**, Ottawa-Booth Centre, Ottawa.

Needs Assessment. Duties involved the development of a research protocol for the evaluation of a rent bank program in collaboration with key stakeholders, conducting a needs assessment (i.e., focus groups, key informant interviews, secondary data analysis), and writing of the final report.

1999 **RIDEAUWOOD ADDICTION AND FAMILY SERVICES**, Ottawa.

Outcome Evaluation. In collaboration with key stakeholders, duties involved the development of a logic model for an adolescent substance abuse treatment program as well as the development of a research protocol to evaluate treatment outcome.

- 1999 **SOMERSET WEST COMMUNITY HEALTH CENTRE**, Ottawa.
Development of Logic Models. Duties involved the development of logic models for the community center's various mental health programs.
- 1998-1999 **ASTHMA EDUCATION CENTRE**, CLSC de Gatineau, Gatineau.
Formative Evaluation. Duties involved the development of a research protocol to evaluate service delivery of an asthma education center, data collection, statistical analysis, and writing of the final report.

SYMPOSIUM & POSTER PRESENTATIONS

McTeague, L.M., Lang, P.J., Shumen, J.R., **Laplante, M.-C.** & Bradley, M.M. (2009, November). Single Versus Multiple Trauma Exposure in the Defensive Psychophysiology of PTSD. Symposium presented at the 25th Annual Meeting of the International Society for Traumatic Stress studies, Atlanta, GA.

McTeague, L.M., Jean-Baptiste, E., Shumen, J.R., **Laplante, M.-C.** & Lang, P.J. (2009, November). Symptom Severity Across the Anxiety Spectrum: Where does Principal PTSD Fit? Symposium presented at the 25th Annual Meeting of the International Society for Traumatic Stress studies, Atlanta, GA.

McTeague, L.M., Lang, P.J., **Laplante, M.-C.**, Shumen, J.R., Bradley, M.M. & Cuthbert, B.N. (2009, November). The Image of Fear: Anxiety Diagnosis, Negative Affectivity, and the Reflex Physiology of Defense. Symposium presented at the 49th Annual Meeting of the Society for Psychophysiological Research, Berlin, Germany.

Keil, A., McTeague, L.M., Shumen, J.R., **Laplante, M.-C.** & Lang, P.J. (2009, November). The Time Course of Attention to Facial Expressions Distinguishes Healthy Controls, Socially Anxious individuals, and Social Phobia Patients. Poster presented at the 49th Annual Meeting of the Society for Psychophysiological Research, Berlin, Germany.
